&

St. Joseph's Institute of Technology, Chennai, India.

27th –28th February 2025

ABOUT THE CONFERENCE

International Conference on Science and Technology (SciTech-2024) is organized by St. Joseph's Institute of Technology, Chennai, India and Perdana University, Kuala Lumpur, Malaysia. The primary goal of the conference is to promote research and developmental activities in the fields of Science and Technology.

It also helps unite the great minds who believe in a technologically literate society. This conference on Science and Technology promises enormous potential to stimulate educational opportunities for researchers, academicians, and postgraduate students. Recent developments in Materials Science, Manufacturing and innovative technologies to handle real time problems have brought faster solutions offered by advanced technologies to various fields of application. It is a powerful tool for educators to interact with their peers and share knowledge and ideas. It also offers innovative technical resources for educators and education leaders to support professional learning. The two-day conference will consist of keynote speeches and paper presentations in different sessions.

CALL FOR PAPER:
